

QWEST'S DO NOT CALL POLICY

At Qwest, we take our responsibilities about customer information and customer service very seriously. And while we comply with all state and federal "Do Not Call" laws, we also believe the best service Qwest can provide to you, as a valued customer, is our Spirit of Service in action.

By way of background, residential customers who have their information on the federal and/or state Do Not Call list typically may not be contacted over the telephone by marketers. However, these laws and regulations generally do not limit or restrict marketing calls to *existing* Qwest residential customers or to customers with whom Qwest has an *existing business relationship*.

If you are a Qwest residential customer and prefer not to receive Qwest marketing telephone calls, just ask us to place you on our internal "Do Not Call" list. You can do that:

ONLINE

- Residential customers: <http://www.qwest.com/corporate/customerService/contactus/>

BY PHONE

- Residential customers call 1 800-244-1111

THROUGH YOUR SALESPERSON

- Simply ask the Qwest salesperson to remove your name when you receive a sales call from us.

In addition, Qwest will honor requests from business customers who would like to be removed from our telemarketing lists for a minimum of 120 days, except in the states of Arizona and Nebraska where regulations specify that business customers remain on Qwest's Do Not Call list for longer periods of time (Arizona is 10 years and Nebraska is 5 years as of July, 2007). You can make your request:

ONLINE

- Business customers: <http://www.qwest.com/corporate/customerService/contactus/>

By PHONE

- Business customers call 1 800-603-6000

THROUGH YOUR SALESPERSON

- Simply ask the Qwest salesperson to remove your name when you receive a sales call from us.

There are a few more things for residential and business customers to be aware of:

- The Do Not Call request must be made by a person responsible for the telephone account.
- Qwest will need a list of all of the telephone numbers that are to be restricted.
- If your telephone number ever changes, you must give us your new information for your Do Not Call status to remain in effect.
- Please allow thirty days for your information to be removed from all internal marketing lists and systems.

Residential customers who are on Qwest's Do Not Call list will remain there for five years – unless you ask to be removed or the laws and regulations in your area require a longer period on the list.

Being on the Qwest Do Not Call list means you won't receive marketing calls from anyone representing Qwest. We may contact you, however, for non-solicitation purposes, which could include surveys or billing and other service-related matters.

Please feel free to contact Qwest if you have additional questions. Or, for additional information on how Qwest protects your privacy, please visit www.qwest.com/legal/privacy.html.
